

Committee Report for the Domestic Relations Pamphlet

Adalyn Brugger, Co-Chair Public Service/Pro-Bono Committee

The DRP Committee continued to fill orders to distribute the last edition of the "Understanding Your Domestic Relations Rights in Virginia." The committee is now working on updating the latest edition and providing an online update. It will be distributed again in English and Spanish. Completion of the project will be delayed but is expected to be complete this Summer or Fall at the latest. The MRWBA continues to receive generous donations from firms and individuals to support the next publication of the DRP.
